

Ventyx Biosciences to Participate in Two Upcoming Investor Conferences

August 28, 2024

SAN DIEGO, Aug. 28, 2024 (GLOBE NEWSWIRE) -- Ventyx Biosciences, Inc. (Nasdaq: VTYX) ("Ventyx", "Company"), a clinical-stage biopharmaceutical company focused on advancing novel oral therapies that address a broad range of inflammatory diseases with significant unmet medical need, today announced that Company executives will participate in the following upcoming investor conferences:

- **Event: 2024 Wells Fargo Healthcare Conference**

Location: Boston, MA

Date: Wednesday, September 4, 2024

Time: 11:00-11:35 AM ET

- **Event: Morgan Stanley 22nd Annual Global Healthcare Conference**

Location: New York, NY

Date: Friday, September 6, 2024

Time: 1:05-1:40 PM ET

A webcast of the presentations will be available in the Investors and News section of the Ventyx website at www.ventyxbio.com. A webcast replay will also be available on this website shortly after conclusion of the event for thirty days.

About Ventyx Biosciences

Ventyx is a clinical-stage biopharmaceutical company focused on advancing novel oral therapies for patients living with inflammatory diseases. We believe our ability to efficiently discover and develop differentiated drug candidates will allow us to address important unmet medical need with novel oral therapies that can shift inflammation markets from injectable to oral drugs. Our current pipeline includes internally discovered clinical programs targeting NLRP3, S1P1R and TYK2, positioning us to become a leader in the development of oral therapies for peripheral and neuroinflammatory diseases. Ventyx is headquartered in San Diego, California. For more information about Ventyx, please visit www.ventyxbio.com.
